

To Whom It May Concern:

This letter is in reference to Dorothy McPherson-Donell. Dorothy was a performer at the Western States Horse Expo, located at Cal Expo, Sacramento California.

Dorothy performed the national anthem on a beautiful black Friesian for the opening ceremonies of our Evening Showcase on June 1, 2002. She thrilled the audience with the awesome performance of her dancing horse and her beautiful soprano voice. Dorothy is very professional and a delight to work with. She was a highlight of our show and I would highly recommend her.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Miki Cohen", followed by a long horizontal line extending to the right.
