

The Magical World of
Dancing Horses

To Whom It May Concern,

I had the opportunity to use Dorothy Donell at the FRIESIAN HORSE EXTRAVAGANZA in Reno, Nevada. My production opening number was quite extensive, using up to 30 horses and riders, including horse drawn coaches. Dorothy was used as the main center attraction riding a beautiful black Friesian, and dressed in white and silver western attire. She sang several patriotic numbers as well as the United States and Canadian National Anthems, and a beautiful rendition of America The Beautiful, all on horseback while flags and riders surrounded her. The sight was breathtaking!

I highly recommend Dorothy for any presentation. She is congenial, professional, has a beautiful singing voice and along with her presentation on horseback, she is "top of the line!"
